Hi Steve, I am confirming receipt of your submittal. We have finished our review of all material previously submitted and have already completed our response based on that information but I am not sure we have mailed it out yet, but will check when I get to the office. However, I do believe we will be able to consider your submitted information during the "120 day" process prior designations that are to be completed by July. Kyra should be able to fill you in on how that works, but if we need to get together for a call to discuss just let me know.
